Psychotherapy Notes: This authorization does not include permission to release outpatient Psychotherapy Notes. Psychotherapy Notes are defined as notes that document private, joint, group, or family counseling sessions that are

separated from the rest of a patient's medical record.

Release of Psychotherapy Notes requires a separate authorization.

I understand that my records may contain but are not limited to: history, diagnosis, and/or treatment of HIV (AIDs virus), other sexually transmitted diseases, drug and/or alcohol abuse, mental illness, psychiatric treatment, or genetic counseling. I give my specific authorization for these records to be released.

- The revocation will not apply to information already released in response to this authorization.
- I understand that if I choose not to give this permission or if I cancel my permission, I will still be able to receive any treatment or benefits that I am entitled to, as long as this information is not needed to determine if I am eligible for services or to pay for the services that I receive.
- I understand that once my information is used and/or disclosed pursuant to this authorization, it may no longer be protected by federal privacy regulations and may be subject to re-disclosure by the recipient(s).

• I understand that a reasonable fee may be charged unless copies are sent to another physician or healthcare facility. This fee is based on the cost of the labor and supplies involved in copying the requested health information. Copies sent to other recipients (i.e. attorney, insurance companies) are subject to fees as provided by state law.
